Go ahead and share the IP/ACC story. I am unable to attend the meeting so you're on your own.

**Subject:** State Director's presentation

Hi everyone. I'm doing another presentation at the upcoming state director's meeting – with this one, I'll touch on the issue of separate ID #s for the same facility; separate permits for the same facility; limitations of liability within a permit, etc. I'd like to discuss the *non-responsive* permit as well as the IP/ACC permit GA appeal and go into a little more detail about *non-responsive*. Is that okay? Would you mind me sharing those case studies with the group? I may call on you to provide some details (or to correct me if I get anything wrong!). . . Thanks.
